Role: Full Stack (Solo Project)

Tools: MERN, ApolloServer, GraphQL

EXPERIENCE

Royal Victorian Eye and Ear Hospital, East Melbourne, VIC — *Outpatients Clerk (Full Time)*

FEB 2018 - JULY 2021

- Recognised as a great communicator with patients, medical staff and fellow clerical staff in clinics and on phone in the call center.
- Made and managed appointments and files for hundreds of patients and medical staff in a dozen different clinics.
- Maintained efficiency as some clinics would see over one hundred patients per day.

Royal Victorian Eye and Ear Hospital, East Melbourne, VIC — *Ward Clerk (Casual)*

FEB 2015 - 2018

- Created and managed appointments and files for patients and medical staff on three different wards as the only worker in my role.
- Interacted and coordinated with nursing, doctors, patients, custodian and kitchen staff.
- Handled incoming and outgoing calls constantly for the ward while maintaining work.

Royal Victorian Eye and Ear Hospital, East Melbourne, VIC — *Food and Beverage Assistant (Part Time)*

NOV 2011 - 2018

- Served three meals a day as well as tea and coffee five times a day for up to fifty patients on three different floors.
- Kept all staff rooms in the hospital stocked with tea and coffee and more.
- Received and organized deliveries while also keeping the kitchen clean and tidy as often as possible.

EDUCATION

Monash University, Online — *Certificate in Full Stack Web Development*

Feb 2022 - August 2022

Deakin School of Arts and Communication, Burwood, VIC — *Bachelor of Film and Digital Media*

Feb 2013 - June 2017

Majored in Film and Creative Writing

Achieved the "Best Achievement in Directing" Award for final film; "Workforce"
